Please place this bulletin at the beginning of the TANF Manual, Section 604-2 and Section 5.4 of the WoRC Guidelines.

=====

**SECTION:** Eligibility and Benefit Determination  
WoRC Performance Standards

**SUBJECT:** Post Employment Eligibility Criteria

**EFFECTIVE DATE:** Immediately

**INTRODUCTION:** Due to questions and further discussion regarding the TANF Post-Employment eligibility, policy regarding ineligibility for TANF Post-Employment has been updated.

Current policy indicates that households are **not eligible** for the Post-Employment Program if **a required filing unit member has received Post-Employment benefits (1-3 months) in the last 12 months.**

**UPDATED POLICY:** It was not the intent of the policy for children to make a family ineligible if they were previously in a household that received Post-Employment benefits in the last 12 months.

Based on this, policy has been clarified to indicate that households are not eligible for the Post-Employment Program if an **adult coded 'A' or 'I' in the adult/child field, who is coded IN or DQ for any reason on AF SEPA, has received Post-Employment in the last 12 months.**

**NOTE:** The TEAMS process will reflect the updated policy.

UPDATED MANUAL MATERIAL WILL BE DISTRIBUTED AS SOON AS POSSIBLE. UNTIL THAT TIME, USE THIS BULLETIN AS A GUIDE. IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT YOUR WORC MONITOR OR REGIONAL POLICY SPECIALIST.

Thank you.
